

8312G-05-90A
9708010001

Certificate Number : M0285 dated:25/10/2001
printed:13/08/2015

Technical data

Specific weight	ASTM D-792	1.27 Kg/dm ³
Hardness (Shore A)	ASTM D-2240	90±3 SHA
Tensile strength	ASTM D-638	20.7 MPa
Elongation	ASTM D-638	300 %
Vicat softening point (49N)		-5°C

Main Medical Compliance:

U.S.P Class VI
European Pharmacopeia IV Ed.

Recommended Uses:

- Extrusion
- Moulding
- Blowing

Granule color:

- Natural
- Red
- Blue
- White
- Other: Tinted

Recommended Sterilization *: **must be validated by the customer with his sterilization cycle*

- E.O.
- Gamma radiation
- Steam

Note: **PVC Gamma resistant DOP- LATEX free- No BPA- No ESB RISK- DEHP presence >5%- Gamma sterilization up to 50 KGy- REACH compliance (Directive 1907/2006/EC)- MSDS- Other ref.: 9708010001**
