

W.L. GORE

PTFE Membrane

Certificate Number : M0309 dated:30/01/2003
printed:27/06/2017

Technical data

None

Main Medical Compliance: FDA Regulat° 21 CFR 177.15550
USP Class VI

Recommended Uses:

- Extrusion
- Moulding
- Blowing

Granule color:

- Natural
- Red
- Blue
- White

Recommended Sterilization *: **must be validated by the customer with his sterilization cycle*

- E.O.
- Gamma radiation
- Steam

Note: **Gore Tex PNR10062 - Membrane hydrophobe 0.2µ - Latex Free - NO ESB RISK-No DEHP-No BPA**
